Please attach a Curriculum Vitae to your application.

Please take a moment to read through the following information regarding your programme

- You will need to produce 2 complete work packages during your programme in order to qualify for your award. Each work package carries management learning action points which will be used as the reference base for your programme award.
 - The learning objectives, methodological approach, timeline requirements and marking scheme for each work package are specified in detail in the work package specifications, providing guidelines for your self-managed learning. These work packages are aimed at building your top management knowledge and skills and as a basis for the further development of the corporate university.
 - All work packages should be completed in English, unless by prior arrangement.
 - The duration of the programme is 8 weeks from commencement to award. You need to ensure that you are able to fulfil the commitments of the programme within the 8 week schedule.
